GUIDING LETTERS

*You know where you are? You're in the **jungle GLACURH!***

Welcome to the Jungle GLACURH! My name is Hannah Boggs, your Jungle Guide for the 2026 Regional Leadership Conference at Indiana University Indianapolis. The Conference Team has been working hard these past months preparing for this amazing experience. We look forward to bringing you all to the IU Indianapolis jungle and the great city of Indianapolis!

The jungle is an important concept for RLC 2026. Not only does it outline our session tracks--Journey, Understanding, Network, Grit, Leadership, Engagement—but it is also representative of the challenges of leadership. This October, we will work together to navigate the jungle of leadership and learn how to be the best jungle guides we can be.

Peace, Love, Polar Bears,

Hannah Boggs
