GUIDING LETTERS

You know where you are? You're in the jungle GLACURH!

Happy start of the semester (to some of you)! Let our leadership journeys begin or continue!

We are less than two months out from the start of RLC, how exciting! In this issue, take an early look at some of our spirit activities, philanthropy updates, and the educational session interest form. Your experience as a student leader is incredibly unique and valuable. Educational Sessions are great opportunities to share those experiences with others. We look forward to seeing what all you have to share at RLC 2026.

As always, we cannot wait to see you all at IU Indianapolis this October! Have a great start of the semester GLACURH!

Peace, Love, Polar Bears,

Monkey Games

The regional conference is coming up quickly! Continue to fuel that jaguar spirit by working through the following riddles in the fourth round of monkey games!

The more you take, the more you leave behind. What are they?

I roar without mouth, I light without fire. What am I?

What glows in the night, but doesn't burn?

I have lakes with no water, mountains with no stone, and cities with no buildings. What am I?
